UNITED STATES BANKRUPTCY JUDGE**

Pursuant to sections 327, 330 and 331 of title 11 of the United States Code, §§ 101-1532 (the “Bankruptcy Code”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Rule 2016-1 of the Local Bankruptcy Rules for the District of New Jersey (the “Local Rules”), Kurtzman Carson Consultants LLC (“KCC”), administrative advisor for the above-captioned debtors and debtors-in-possession (collectively, the “Debtors”), hereby

submits its combined monthly and final fee application (this “Fee Application”) for (a) allowance of compensation for professional services provided in the amount of \$20,051.50 for the period from November 1, 2023 through and including November 17, 2023 (the “Monthly Fee Period”) and (b) final allowance of compensation for professional services in the amount of \$187,514.50 for the period from June 4, 2023 through November 17, 2023 (the “Final Fee Period”). In support of this Fee Application, KCC represents as follows:

JURISDICTION

1. The United States Bankruptcy Court for the District of New Jersey (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the Standing Order of Reference to the Bankruptcy Court Under Title 11 dated as of September 18, 2012. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

2. Venue in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

3. On June 4, 2023 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code.

4. On the Petition Date, the Debtors filed an application to employ KCC as its claims and noticing agent (in such capacity, the “Claims and Noticing Agent”) pursuant to 28 U.S.C. § 156(c) [Docket No. 5] (the “Section 156(c) Application”), which was approved by the Court on June 6, 2023 [Docket No. 67] (the “Section 156(c) Order”).

5. Given that the administration of these chapter 11 cases would require KCC to perform duties outside the scope of 28 U.S.C. § 156(c), the Debtors supplemented the Section 156(c) Application with an application to retain KCC to perform certain services as the Debtors’ administrative advisor in these chapter 11 cases (in such capacity, the “Administrative Advisor”). Accordingly, on June 30, 2023, the Debtors filed the *Debtors’ Application Authorizing the Debtors*

to Employ and Retain Kurtzman Carson Consultants LLC as Administrative Advisor Effective as of the Petition Date [Docket No. 191]. On July 18, 2023, the Court entered the *Order Authorizing the Debtors to Employ and Retain Kurtzman Carson Consultants LLC as Administrative Advisor Effective as of the Petition Date* [Docket No. 286] (the “Retention Order”). The Retention Order authorized the Debtors to compensate KCC in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court.

6. The Retention Order authorizes KCC to provide the following services:
 - (a) assist with, among other things, solicitation, balloting, and tabulation of votes, and prepare any related reports, as required in support of confirmation of a chapter 11 plan, and in connection with such services, process requests for documents from parties in interest, including, if applicable, brokerage firms, bank back-offices, and institutional holders;
 - (b) prepare an official ballot certification and, if necessary, testify in support of the ballot tabulation results;
 - (c) assist with the preparation of the Debtors’ schedules of assets and liabilities and statements of financial affairs and gather data in conjunction therewith;
 - (d) provide a confidential data room, if requested;
 - (e) manage and coordinate any distributions pursuant to a chapter 11 plan; and
 - (f) provide such other processing, solicitation, balloting, and administrative services described in the Services Agreement, but not included in the Section 156(c) Order, as may be requested from time to time by the Debtors, this Court, or the Clerk of this Court.

7. The amounts sought in this Application do not include any fees that may be payable by the Debtors for services provided by KCC under the Section 156(c) Order. Procedures for the payment of such fees and disbursements are separately addressed in the Section 156(c) Order. Additionally, no fees and disbursements for services provided to the Debtors under the Retention Order are or will be sought to be paid under the Section 156(c) Order.

8. On July 21, 2023, the Court entered the *Administrative Fee Order Establishing Procedures for the Allowance and Payment of Interim Compensation and Reimbursement of Professionals Retained by Order of this Court* [Docket No. 305] (the “Interim Compensation Order”). Pursuant to the Interim Compensation Order, Professionals (as defined therein), are authorized to be paid eighty (80%) percent of fees and one-hundred (100%) percent of expenses requested in monthly fee statements that are to be filed with the Court, subject to a fourteen-day objection deadline. The Interim Compensation Order further provides that at four-month intervals or such other intervals directed by the Court, Professionals (as defined therein) may file interim applications for allowance of compensation and reimbursement of expenses of the amount sought in the monthly fee statements, including the twenty (20%) percent holdback, pursuant to section 331 of the Bankruptcy Code.

9. On November 17, 2023, the Court entered the *Revised Findings of Fact, Conclusions of Law, and Order Confirming the Fourth Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 718].

10. As disclosed in the *Declaration of Evan J. Gershbein in Support of the Debtors’ Application Authorizing the Debtors to Employ and Retain Kurtzman Carson Consultants LLC as Administrative Advisor Effective as of the Petition Date* [Docket No. 191, Exhibit B], KCC does not have any materially adverse connection to the Debtors, their creditors or other relevant parties and is a disinterested person as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code. KCC may have rendered and may continue to render services to certain of these creditors in matters unrelated to the chapter 11 cases, either

as vendors or in cases where KCC serves in a neutral capacity as a bankruptcy claims and noticing agent or class action settlement administrator.

11. Certain former employees of Kirkland & Ellis LLP (“K&E”), counsel to the Debtors, currently are employed by KCC. Albert Kass, KCC’s Senior Executive Vice President of Corporate Restructuring Services, is a former K&E associate. Beth Friedman, a Senior Director with KCC’s Corporate Restructuring Services, is a former K&E Restructuring Department Coordinator. Adam Gorman, a Director with KCC’s Corporate Restructuring Services, is a former K&E project assistant. None of these employees’ work at K&E was related to the Debtors or these chapter 11 cases.

12. On May 1, 2023, funds affiliated with GCP Capital Partners LLC (“GCP”) indirectly acquired a controlling equity interest in KCC (the “Acquisition”). Pursuant to the Acquisition, an indirect, non-controlling, beneficial minority interest in KCC was acquired by funds affiliated with J.P. Morgan Investment Management Inc. (“JPMIM”). GCP is a middle-market private equity investment firm based in New York. GCP has made investments in a number of industries, including tech-enabled business services, payments, and select financials. JPMIM is a U.S. registered investment adviser. Designees of GCP are members of the Board of Managers (the “Board”) of KCC’s ultimate parent company, KCC Parent LLC (“Parent”). Parent wholly owns KCC Intermediate LLC, which in turn wholly owns KCC Global Administration, LLC, which in turn wholly owns KCC Topco LLC, which in turn wholly owns KCC. One representative of JPMIM is entitled to attend and observe (but not vote) at all meetings of the Board, but no designee of JPMIM is a member of the Board.

13. KCC searched all entities listed in the list of Potential Parties in Interest against an internal database that includes (i) KCC’s parent entities, affiliates, and subsidiaries and (ii) GCP,

GCP's funds, and each such fund's respective portfolio companies and investments as set forth in the list most recently provided to KCC by GCP. Based solely on the foregoing search, KCC has determined, to the best of its knowledge, that there are no material connections. JPMorgan Chase, N.A. is listed on the Potential Parties in Interest List. There are information barriers between JPMIM and the line of business where JPMorgan Chase may be associated with the Debtors.

14. All services for which compensation is requested by KCC were performed on behalf of the Debtors.

DISCLOSURE OF COMPENSATION AND REQUESTED AWARD

15. By this Fee Application, KCC requests (a) an award of compensation for professional services provided in the amount of \$20,051.50 for the Monthly Fee Period; (b) a final award of compensation for professional services in the amount of \$187,514.50 for the Final Fee Period; and (c) payment of \$53,544.10, which, as of the date hereof, is the total amount of fees for services rendered during the Final Fee Period for which KCC has not yet been paid.

16. KCC prepared monthly fee applications as filed with this Court at Docket Nos. 329, 453, 557, 632, and 767 (each a "Monthly Fee Statement", and collectively, the "Monthly Fee Statements") for the months of June 2023 through October 2023. The Monthly Fee Statements sought approval of fees in the aggregate amount of \$167,463.00 and expenses in the aggregate amount of \$0.00.

17. In addition, KCC incurred fees in the amount of \$20,051.50 for the period of November 1, 2023 through November 17, 2023. KCC has not filed a monthly fee application for such amounts and hereby requests allowance and approval of payment of such amounts.

18. The amount of time spent by each employee providing services to the Debtors for the Final Fee Period is detailed in line item listings of time entries and descriptive detail set forth

herein and in the invoices attached to the Monthly Fee Statements. These are KCC's normal hourly rates of compensation for work of this character. The reasonable value of the services rendered by KCC for the Final Fee Period as Administrative Advisor to the Debtors in these chapter 11 cases is \$187,514.50. KCC is not seeking reimbursement for any expenses in this Fee Application. KCC professionals expended 742.5 hours of work during the Final Fee Period at a blended hourly rate of \$250.96.

19. This Application is KCC's final request for compensation for services rendered and reimbursement of expenses incurred as administrative advisor to the Debtors.

SUMMARY OF PROFESSIONAL SERVICES²

20. During the Final Fee Period, KCC's professionals spent 350.3 hours assisting the Debtors and their professionals with the Debtors' Schedules and Statements including frequent communication regarding data, timelines, preparation status, and updates. KCC also gathered, organized, and tracked the Schedule and Statement data, and prepared and updated multiple templates for and drafts of the Schedules and Statements.

21. KCC professionals additionally spent 389 hours assisting the Debtors and their professionals with the Debtors' solicitation, including reviewing and commenting on the Debtors' draft solicitation documents, communicating regarding solicitation procedures and preparing draft opt out notices and ballots. Additionally, KCC determined voting classes and amounts, prepared and updated the voting amount spreadsheet, and generated, updated, and inputted ballots. KCC professionals responded to inquiries regarding the solicitation, and frequently communicated with

² This summary of services rendered during the Final Fee Period is not intended to be a detailed or exhaustive description of the work performed by KCC. More detailed descriptions of the work performed in the Final Fee Period, categorized by subject matter, and those day-to-day services and the time expended in performing such services are set forth in the detailed time records attached hereto as **Exhibit B**.

the Debtors and their professionals and third parties regarding the solicitation. KCC also prepared the voting summary report and prepared for and attended the confirmation hearing.

22. KCC professionals spent 3.2 hours related to disbursement including reviewing the procedures and mechanics for the Debtors' equity distribution and drafting forms related thereto.

23. KCC believes that the time entries included in **Exhibit B** are in compliance with the requirements of with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court.

24. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, KCC submits that the amount requested is fair and reasonable given (a) the complexity of these cases, (b) the time expended, (c) the nature and extent of services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

BASIS FOR RELIEF

25. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual, necessary services rendered . . . and reimbursement for actual, necessary expenses." 11 U.S.C. § 327.

26. Section 330 of the Bankruptcy Code contains two separate criteria, and before determining the reasonableness of the services rendered, the Court must make a threshold inquiry into its necessity. See *In re Engle*, 190 B.R. 206, 209 (Bankr. D.N.J. 1995); see also *In re Fleming Cos.*, 304 B.R. 85, 89 (D. Del. 2003) (discussing a two-tiered approach to determine whether compensation should be allowed—first "the court must be satisfied that the attorney performed

actual and necessary services” and second, “the court must assess a reasonable value for those services.”). The majority of courts that have interpreted section 330 of the Bankruptcy Code have held that an element of whether such services are “necessary” is whether they benefitted the bankruptcy estate. *Engel*, 190 B.R. at 209. Further, the test for determining necessity is objective, focusing on what services a reasonable lawyer would have performed under the same circumstances. See *In re APW Enclosure Sys., Inc.*, No. 06-11378 (MFW), 2007 WL 3112414, at *3 (Bankr. D. Del. 2007) (citing *In re Ames Dep’t Stores, Inc.*, 76 F.3d 66, 72 (2d Cir. 1996)). This test does not rely on hindsight to determine the ultimate success or failure of the attorneys’ actions. See *id.* (citing *Keate v. Miller (In re Kohl)*, 95 F.3d 713, 714 (8th Cir. 1996)).

27. Once the Court determines that the services were necessary, it also assesses the reasonable value of the services. See 11 U.S.C. § 330(a)(3). Specifically, section 330(a)(3) of the Bankruptcy Code sets forth the criteria for the award of such compensation and reimbursement. In determining the amount of reasonable compensation to be awarded, the Court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance and nature of the problem, issue, or task addressed;
- e. with respect to a professional person, whether the person is board certified or

otherwise has demonstrated skill and experience in the bankruptcy field; and

- f. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

28. In determining the reasonableness of fees, courts in this Circuit routinely “employ the twelve factors set forth in *Johnson v. GA Highway Express, Inc.*, 488 F.2d 714, 717-19 (5th Cir. 1974).” *Staino v. Cain (In re Lan Assocs. XI, L.P.)*, 192 F.3d 109, 123 (3d Cir. 1999). These factors include: (i) the time and labor required; (ii) the novelty and difficulty of the questions involved; (iii) the skill required to perform the legal service properly; (iv) the preclusion of employment by the attorney due to acceptance of the case; (v) the customary fee charged; (vi) whether the fee is fixed or contingent; (vii) time limitations imposed by the client or the circumstances; (viii) the amount involved and the results obtained; (ix) the experience, reputation and ability of the attorneys; (x) the undesirability of the case; (xi) the nature and length of the professional relationship with the client; and (xii) awards in similar cases. *Id.* at 123 n.8.

29. In the instant case, KCC respectfully submits that the services for which it seeks compensation in this Fee Application were necessary for and beneficial to the Debtors during the pendency of these chapter 11 cases. KCC respectfully submits that the services rendered to the Debtors were performed economically, effectively and efficiently and the results obtained have benefited not only the Debtors, but also creditors and parties in interest as a whole. KCC further submits that the compensation requested herein is reasonable in light of the nature, extent and value of such services to the Debtors.

30. In sum, the services rendered by KCC were necessary and beneficial to the Debtors’

estates and were consistently performed in a timely manner commensurate with the complexity, importance, novelty and nature of the issues involved. Accordingly, approval of the compensation sought herein is warranted.

CONCLUSION

31. The administrative services summarized by this Fee Application and rendered by KCC to the Debtors during the Final Fee Period were substantial, professional, and beneficial to the Debtors.

32. As demonstrated throughout this Fee Application, the other factors typically considered in determining compensation – including complexity, results achieved, special expertise, magnitude of the matter, and professional standing – all militate toward the conclusion that the amount of compensation requested by KCC is necessary, fair, and reasonable.

33. All services for which compensation is sought were performed for and on behalf of the Debtors. KCC is charging its standard hourly rate for professionals performing services. KCC has not entered into any agreement, express or implied, with any other party in interest for the purpose of fixing or sharing fees or other compensation to be paid for professional services rendered in these chapter 11 cases.

WHEREFORE, KCC respectfully requests that this Court enter an order: (a) awarding compensation for professional services provided in the amount of \$20,051.50 for the Monthly Fee Period; (b) awarding compensation for professional services in the amount of \$187,514.50 for the Final Fee Period; (c) authorizing payment of \$53,544.10, which, as of the date hereof, is the total amount of fees for services rendered during the Final Fee Period for which KCC has not yet been paid; and (d) granting such other and further relief as this Court deems just and proper.

Services Agreement

KCC AGREEMENT FOR SERVICES

This Agreement is entered into as of the 29 day of April 2023, between Cyxtera Technologies Inc. (together with its affiliates and subsidiaries, the “Company”),¹ and Kurtzman Carson Consultants LLC (together with its affiliates and subcontractors, “KCC”). In consideration of the premises set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Terms and Conditions

I. SERVICES

A. KCC agrees to provide the Company with consulting services regarding noticing, claims management and reconciliation, plan solicitation, balloting, disbursements and any other services agreed upon by the parties or otherwise required by applicable law, government regulations or court rules or orders.

B. KCC further agrees to provide (i) computer software support and training in the use of the support software, (ii) KCC’s standard reports as well as consulting and programming support for the Company requested reports, (iii) program modifications, (iv) data base modifications, and/or (v) other features and services in accordance with the fees outlined in a pricing schedule provided to the Company (the “KCC Fee Structure”).

C. Without limiting the generality of the foregoing, KCC may, upon request by the Company, (i) provide a communications plan including, but not limited to, preparation of communications materials, dissemination of information and a call center staffed by KCC and/or (ii) provide confidential on-line workspaces or virtual data rooms and publish documents to such workspaces or data rooms (which publication shall not be deemed to violate the confidentiality provisions of this Agreement).

D. The price listed for each service in the KCC Fee Structure represents a bona fide proposal for such services, which may be accepted in whole or in part. Services will be provided when requested by the Company or required by applicable law, government regulations or court rules or orders. Services are mutually exclusive and are deemed delivered and accepted by the Company when provided by KCC.

E. The Company acknowledges and agrees that KCC will often take direction from the Company’s representatives, employees, agents and/or professionals (collectively, the “Company Parties”) with respect to the services being provided under this Agreement. The parties agree that KCC may rely upon, and the Company agrees to be bound by, any requests, advice or information provided by the Company Parties to the same extent as if such requests, advice or information were provided by the Company. The Company agrees and understands that KCC shall not provide the Company or any other party with any legal advice.

¹ The term Company shall include, to the extent applicable, the Company, as debtor and debtor in possession in its chapter 11 case, together with any affiliated debtors and debtors in possession whose chapter 11 cases are jointly administered with the Company’s chapter 11 case.

KCC AGREEMENT FOR SERVICES

II. PRICES, CHARGES AND PAYMENT

A. KCC agrees to charge and the Company agrees to pay KCC for its services at the rates and prices set by KCC that are in effect as of the date of this Agreement and in accordance with the KCC Fee Structure. KCC's prices are generally adjusted periodically to reflect changes in the business and economic environment and are inclusive of all charges. KCC reserves the right to reasonably increase its prices, charges and rates; provided, however, that if any such increase exceeds 15%, KCC will give thirty (30) days written notice to the Company.

B. In addition to fees and charges for services, the Company agrees to pay KCC's reasonable transportation, lodging, and meal expenses incurred in connection with services provided under this Agreement.

C. In addition to all fees for services and expenses hereunder, the Company shall pay to KCC (i) any fees and charges related to, arising out of, or as a result of any error or omission made by the Company or the Company Parties, as mutually determined by KCC and the Company, and (ii) all taxes that are applicable to this Agreement or that are measured by payments made under this Agreement and are required to be collected by KCC or paid by KCC to a taxing authority.

D. Where the Company requires services that are unusual or beyond the normal business practices of KCC, or are otherwise not provided for in the KCC Fee Structure, the cost of such services shall be charged to the Company at a competitive rate.

E. KCC agrees to submit its invoices to the Company monthly and the Company agrees that the amount invoiced is due and payable upon the Company's receipt of the invoice. KCC's invoices will contain reasonably detailed descriptions of charges for both hourly (fees) and non-hourly (expenses) case specific charges. Where total invoice amounts are expected to exceed \$10,000 in any single month and KCC reasonably believes it will not be paid, KCC may require advance payment from the Company due and payable upon demand and prior to the performance of services hereunder. If any amount is unpaid as of thirty (30) days from the receipt of the invoice, the Company further agrees to pay a late charge, calculated as one and one-half percent (1-1/2%) of the total amount unpaid every thirty (30) days. In the case of a dispute in the invoice amount, the Company shall give written notice to KCC within ten (10) days of receipt of the invoice by the Company. The undisputed portion of the invoice will remain due and payable immediately upon receipt of the invoice. Late charges shall not accrue on any amounts in dispute or any amounts unable to be paid due to Court order or applicable law. Unless otherwise agreed to in writing, the fees for print notice and media publication (including commissions) must be paid at least three (3) days in advance of those fees and expenses being incurred. Certain fees and charges may need to be adjusted due to availability related to the COVID-19 (novel coronavirus) global health issue.

F. In the event that the Company files for protection pursuant to chapter 11 of the United States Bankruptcy Code (a "Chapter 11 Filing"), the parties intend that KCC shall be employed pursuant to 28 U.S.C. § 156(c) to the extent possible and otherwise in accordance with applicable Bankruptcy law and that all amounts due under this Agreement shall, to the extent possible, be paid as administrative expenses of the Company's chapter 11 estate. As soon as practicable following a Chapter 11 Filing (and otherwise in accordance with applicable law and rules and

KCC AGREEMENT FOR SERVICES

orders of the Bankruptcy Court), the Company shall cause pleadings to be filed with the Bankruptcy Court seeking entry of an order or orders approving this Agreement (the “Retention Order”). The form and substance of the pleadings and the Retention Order shall be reasonably acceptable to KCC. If any Company chapter 11 case converts to a case under chapter 7 of the Bankruptcy Code, KCC will continue to be paid for its services in accordance with the terms of this Agreement. The parties recognize and agree that if there is a conflict between the terms of this Agreement and the terms of the Retention Order, the terms of the Retention Order shall govern during the chapter 11 or other proceeding.

G. To the extent permitted by applicable law, KCC shall receive a retainer in the amount of \$60,000 (the “Retainer”) that may be held by KCC as security for the Company’s payment obligations under the Agreement. The Retainer is due upon execution of this Agreement. In the event of a Chapter 11 Filing, KCC will first apply the Retainer to all pre-petition invoices, and thereafter, will have the Retainer replenished to the original amount. KCC shall be entitled to hold the Retainer until the termination of the Agreement. Following termination of the Agreement, KCC shall return to the Company any amount of the Retainer that remains following application of the Retainer to the payment of unpaid invoices.

III. RIGHTS OF OWNERSHIP

A. The parties understand that the software programs and other materials furnished by KCC pursuant to this Agreement and/or developed during the course of this Agreement by KCC are the sole property of KCC. The term “program” shall include, without limitation, data processing programs, specifications, applications, routines, and documentation. The Company agrees not to copy or permit others to copy the source code from the support software or any other programs or materials furnished pursuant to this Agreement.

B. The Company further agrees that any ideas, concepts, know-how or techniques relating to data processing or KCC’s performance of its services developed or utilized during the term of this Agreement by KCC shall be the exclusive property of KCC. Fees and expenses paid by the Company do not vest in the Company any rights in such property, it being understood that such property is only being made available for the Company’s use during and in connection with the services provided by KCC under this Agreement.

IV. NON-SOLICITATION

The Company agrees that neither it nor its subsidiaries or other affiliated companies shall directly or indirectly solicit for employment, employ or otherwise retain employees of KCC during the term of this Agreement and for a period of twelve (12) months after termination of this Agreement unless KCC provides prior written consent to such solicitation or retention.

V. CONFIDENTIALITY

Each of KCC and the Company, on behalf of themselves and their respective employees, agents, professionals and representatives, agrees to keep confidential all non-public records, systems, procedures, software and other information received from the other party in connection with the services provided under this Agreement; provided, however, that if either party reasonably believes that it is required to produce any such information by order of any governmental agency

KCC AGREEMENT FOR SERVICES

or other regulatory body it may, upon not less than five (5) business days' written notice to the other party, release the required information.

VI. SUSPENSION OF SERVICE AND TERMINATION

A. This Agreement shall remain in force until terminated or suspended by either party (i) upon thirty (30) days' written notice to the other party or (ii) immediately upon written notice for Cause (defined herein). As used herein, the term "Cause" means (i) gross negligence or willful misconduct of KCC that causes serious and material harm to the Company's reorganization under chapter 11 of the Bankruptcy Code, (ii) the failure of the Company to pay KCC invoices for more than sixty (60) days from the date of invoice, or (iii) the accrual of invoices or unpaid services in excess of the retainer held by KCC where KCC reasonably believes it will not be paid.

B. In the event that this contract is terminated, regardless of the reason for such termination, KCC shall coordinate with the Company and, to the extent applicable, the clerk of the Bankruptcy Court, to maintain an orderly transfer of record keeping functions and KCC shall provide all necessary staff, services and assistance required for an orderly transfer. The Company agrees to pay for such services in accordance with KCC's then existing prices for such services. If such termination occurs following entry of the Retention Order, the Company shall immediately seek entry of an order (in form and substance reasonably acceptable to KCC) that discharges KCC from service and responsibility in the Company's bankruptcy case.

C. Any data, programs, storage media or other materials furnished by the Company to KCC or received by KCC in connection with the services provided under the terms of this Agreement may be retained by KCC until the services provided are paid for, or until this Agreement is terminated with the services paid in full. The Company shall remain liable for all fees and expenses imposed under this Agreement as a result of data or physical media maintained or stored by KCC. KCC shall dispose of the data and media in the manner requested by the Company. The Company agrees to pay KCC for reasonable expenses incurred as a result of the disposition of data or media. If the Company has not utilized KCC's services under this Agreement for a period of at least ninety (90) days, KCC may dispose of the data or media, and be reimbursed by the Company for the expense of such disposition, after giving the Company thirty (30) days' notice. Notwithstanding any term herein to the contrary, following entry of the Retention Order, the disposition of any data or media by KCC shall be in accordance with any applicable instructions from the clerk of the Bankruptcy Court, local Bankruptcy Court rules and orders of the Bankruptcy Court.

VII. SYSTEM IMPROVEMENTS

KCC strives to provide continuous improvements in the quality of service to its clients. KCC, therefore, reserves the right to make changes in operating procedure, operating systems, programming languages, general purpose library programs, application programs, time period of accessibility, types of terminal and other equipment and the KCC data center serving the Company, so long as any such changes do not materially interfere with ongoing services provided to the Company in connection with the Company's chapter 11 case.

KCC AGREEMENT FOR SERVICES

VIII. BANK ACCOUNTS

At the Company's request and subject to Court approval following any chapter 11 filing, KCC may be authorized to establish accounts with financial institutions in the name of and as agent for the Company. To the extent that certain financial products are provided to the Company pursuant to KCC's agreement with financial institutions, KCC may receive compensation from such financial institutions for the services KCC provides pursuant to such agreement.

IX. LIMITATIONS OF LIABILITY AND INDEMNIFICATION

A. The Company shall indemnify and hold KCC, its affiliates, members, directors, officers, employees, consultants, subcontractors and agents (collectively, the "Indemnified Parties") harmless, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, judgments, liabilities and expenses (including reasonable counsel fees and expenses) (collectively, "Losses") resulting from, arising out of or related to KCC's performance under this Agreement. Such indemnification shall exclude Losses resulting from KCC's gross negligence or willful misconduct. Without limiting the generality of the foregoing, Losses include any liabilities resulting from claims by any third-parties against any Indemnified Party. The Company shall notify KCC in writing promptly upon the assertion, threat or commencement of any claim, action, investigation or proceeding that the Company becomes aware of with respect to the services provided by KCC under this Agreement. The Company's indemnification obligations hereunder shall survive the termination of this Agreement.

B. Except as provided herein, KCC's liability to the Company or any person making a claim through or under the Company for any Losses of any kind, even if KCC has been advised of the possibility of such Losses, whether direct or indirect and unless due to gross negligence or willful misconduct of KCC, shall be limited to the total amount billed or billable to the Company for the portion of the particular work which gave rise to the alleged Loss. In no event shall KCC be liable for any indirect, special or consequential damages such as loss of anticipated profits or other economic loss in connection with or arising out of the services provided for in this Agreement. In no event shall KCC's liability to the Company for any Losses, whether direct or indirect, arising out of this Agreement exceed the total amount billed to the Company and actually paid to KCC for the services contemplated under the Agreement; provided, however, that this limitation shall not apply to the Company during any chapter 11 case in which the Company is a debtor.

C. The Company is responsible for the accuracy of the programs, data and information it or any Company Party submits for processing to KCC and for the output of such information. KCC does not verify information provided by the Company and, with respect to the preparation of schedules and statements, all decisions are at the sole discretion and direction of the Company. The Company reviews and approves all schedules and statements filed on behalf of, or by, the Company; KCC bears no responsibility for the accuracy or contents therein. The Company agrees to initiate and maintain backup files that would allow the Company to regenerate or duplicate all programs and data submitted by the Company to KCC.

D. The Company agrees that except as expressly set forth herein, KCC makes no representations or warranties, express or implied, including, but not limited to, any implied or

KCC AGREEMENT FOR SERVICES

express warranty of merchantability, fitness or adequacy for a particular purpose or use, quality, productiveness or capacity.

X. FORCE MAJEURE

KCC will not be liable for any delay or failure in performance when such delay or failure arises from circumstances beyond its reasonable control, including without limitation acts of God, acts of government in its sovereign or contractual capacity, acts of public enemy or terrorists, acts of civil or military authority, war, riots, civil strife, terrorism, blockades, sabotage, rationing, embargoes, epidemics, pandemics, outbreaks of infectious diseases or any other public health crises, earthquakes, fire, flood, other natural disaster, quarantine or any other employee restrictions, power shortages or failures, utility or communication failure or delays, labor disputes, strikes, or shortages, supply shortages, equipment failures, or software malfunctions.

XI. INDEPENDENT CONTRACTORS

The Company and KCC are and shall be independent contractors of each other and no agency, partnership, joint venture or employment relationship shall arise, directly or indirectly, as a result of this Agreement.
